

Ordering supplies for the Yankton Catholic Community

The Yankton Catholic Community has a purchasing agreement with Western Office. They offer reduced prices for supplies, furniture, technology, etc.

To setup and if issues with any account the contact is Nancy @ 800-672-8337 from 8:00 – 12:00.

Each Yankton Catholic organization has a separate account setup for ordering and reviewing purchase history. The process is to go to www.dforce2plus.com/0123 and click on login then log in to place your order. Generally their price will be the lowest you will be able to find but if not, they will match the lower price. There is a comment area where you can let them know the lower price you have found.
